July 2015

The Asian Cultural Council has awarded grants to 96 artists, scholars, and arts and humanities professionals, as well as organizations and educational institutions from the United States and Asia in 2015.

This year's diverse group of grantees includes individuals from 11 Asian countries and the United States involved in a wide spectrum of fields in the visual and performing arts. The grants will support exchange among Asian countries and with the United States by enabling grantees to participate in research, study, and work in the arts abroad.
